

CARRANZA NOW REFUSES TO GIVE WAY TO GUTIERREZ

Repudiates Telegram Sent in His Name Agreeing to Retire—Villa Army Massed.

WASHINGTON, Nov. 18.—Gen. Carranza has repudiated the telegram sent for him by Gen. Pablo Gonzalez to Gen. Gutierrez, in which the First Chief was represented as agreeing to retire. This was announced today in an official dispatch from American Consul Hillman.

Carranza declared he had been misunderstood. In the telegram Gonzalez sent on behalf of Carranza, the First Chief was described as agreeing to resign if both he and Villa quashed their commands and met in Havana not later than Nov. 20.

No mention was made of the man whom the executive power was to be delivered and Carranza now declared he never intended to resign. Carranza declared he will not deliver his place to any other than a man whom he could trust to carry out the conditions he imposes.

While American Consul Hillman stated that great efforts were being made to patch up the difficulties between Carranza and Villa, other officials said big troop movements were under way and that a battle was imminent north of Mexico City. Carranza's troops were now advancing southward.

In connection with Carranza's repudiation of the message sent for him by Gonzalez, Villa adherents here stated that at the Torreon conference which was convened during the summer in an attempt to heal the breach between Carranza and Gonzalez, Carranza signed the agreement which was later similarly repudiated by the First Chief.

Confidential information received here today indicated that Carranza and other chiefs were

participating in a move toward the southward toward Mexico City to take the capital and assuming the government as ordered by the Aguas Calientes convention.

GEN. CARBAJAL KILLED FIGHTING CARRANZA

Had Just Deserted First Chief and Joined Villa Forces in Attack Near Puerto Mexico.

WASHINGTON, Nov. 18.—Gen. Jose Carbal, a Carranza chief, was killed in an engagement near Puerto Mexico yesterday, when, with his troops, he joined Villa forces and attacked Gen. Jesus Carranza, a brother of the Constitutional First Chief.

GERMAN PRAISES JAPS.

The East and West News Bureau today made public the following cablegram from Tokyo:

"Capt. Meyer Waldeck, formerly of Tientsin, was brought yesterday to Fukuoka, where there is a station for keeping prisoners. (Fukuoka is a port in Kyushu, the southernmost island of Japan.) After expressing his deep gratitude for the honor conferred upon him by the Japanese Emperor in allowing him to wear his sword, Capt. Waldeck said:

"What led Germany to fortify Tientsin was, aside from providing itself against the attack of China, the presumption that some day Tientsin might face an enemy England, France or Russia. We never dreamed that we should ever fight with Japan. There is nothing but praise for the marksmanship of Japanese gunners of heavy arms in the shrewdness of the accounts and the skill shown in the intrenchment of the Japanese troops. Although there is much room for improvement in the marksmanship of the Japanese infantry, their hurricane-like assault is unequalled by the infantry of other nations."

Toronto Feels Earthquake. TORONTO, Nov. 18.—The observatory recorded today a slight earthquake. Although its indicated distance was several hundred miles away, residents of Toronto declared that the dishes rattled and other evidences of the shock were noticed in the city.

MAN AND WOMAN HELD AFTER FIRE IN A HOTEL

Maria Altieri, Lessee of Coney Island Hotel, and Her Watchman Are Accused.

Maria Altieri, daughter of Pietro Altieri, a wealthy contractor, of No. 3750 Ocean Parkway, Coney Island, was held in \$5,000 bail by Magistrate Miller in Coney Island Court today, charged with setting fire yesterday to the Hotel Navy, at West Avenue and Ocean Parkway, of which she was the lessee. Her watchman, Joseph Albert Mayo, was held without bail.

Fire Marshal Brophy, on finding the fire in the hotel had started in two places and seemed to be elaborately prepared, questioned the pair for ten hours. Miss Altieri said she had received a Black Hand letter threatening the burning of the place. But Mayo admitted he had written the letter at Miss Altieri's order for future use, and that she had offered him \$500 to set the fire, which he refused to do, he says.

Mayo said that Monday night he and Miss Altieri went to a theatre in Manhattan and when they returned in the early morning the hotel was burning. The furniture in the building was insured for \$4,000. According to the Marshal, it was worth only \$1,000. Miss Altieri was \$600 behind in her rent.

CARNEGIE FOUNDATION PAYS \$634,000 PENSIONS

The ninth annual meeting of the trustees of the Carnegie Foundation for the Advancement of Teaching was held today at No. 578 Fifth Avenue. The twenty-four trustees, who are college presidents and financiers, including Presidents Lowell of Harvard, Hadley of Yale and Butler of Columbia, were all present. Frank A. Vanderlip of the National City Bank, who is ill, was absent.

The chairman of the board, William Patterson, Principal of McGill University in Montreal, presided. Dr. Henry S. Pritchett, President of the Foundation, and Robert A. Franks,

its Treasurer, presented their annual reports.

The general endowment of the Foundation is now \$14,125,000, and its annual income is \$694,000. Of this amount \$24,000 was used during the year in paying pensions to 423 professors or widows of professors, forty-four being added to the list. This is

an increase of \$44,000 in this particular over last year. Since the establishment of the Foundation 443 professors and 114 widows, representing 72 institutions, have received total allowances of \$1,551,000.

President William F. Bloem of Colorado College was elected chairman of the board.

CAMMEYER SHOES
Founded 1863

I Desire to Make an Announcement of Tremendous Importance to the Women of New York

Wednesday and the days following will witness a drastic reduction in the prices of the season's most favored "CAMMEYER" Boots and Slippers for women.

This announcement is as unusual as it is GENUINE, and is not to be confused with any ordinary "sale" offering.

I do not ever remember the time when "CAMMEYER" offered the VERY BEST of its shoe stock at prices as low below cost, except during July and January.

The reductions are made necessary by a backward season—due partly to the continued unseasonable weather—and partly to the Great World War which has depressed all commercial lines.

I desire to state over my signature that the items mentioned in this sale are just as advertised—that every pair of shoes offered is our own genuine "CAMMEYER" stock, and that the reduced prices represent a buying opportunity that only an inspection of the merchandise offered can explain.

Since the inception of this business in 1863, there has never been an offer comparable in value to this in the shoe business.

Louis B. Hank
President, Cammeyer.
